MEMORANDUM FOR 129 RQW PERSONNEL

FROM: 129 RQW/CC

SUBJECT: Environmental Commitment Statement

1. The 129th Rescue Wing (RQW) is committed to conducting its mission in an environmentally responsible manner that will protect human health, natural resources and the environment. In doing so, we will comply with all federal, state and local environmental laws and regulations as well as Executive Orders and Department of Defense, Air Force and Air National Guard policies, procedures, instructions and guidance applicable to the conduct of our mission and strive for continual improvement while enabling sustainable practices. In support of our environmental commitment we will:

- a. Maintain an effective Environmental Management System; support, review, and efficiently manage environmental risks and costs at all levels of the organization.
- b. Set environmental goals, measure progress, and take corrective actions when necessary.
- c. Investigate and evaluate new and innovative technologies and practices.
- d. Ensure responsible use of energy throughout the installation.
- e. Establish and implement an effective pollution prevention program and promote conservation and the use of sustainable products or technologies.
- f. Provide regular operation-specific environmental performance and assessments to ensure a safe and healthy work environment.

2. Compliance with this Environmental Commitment Statement is the responsibility of every member of the 129th RQW community in accordance with his/her role and responsibilities in the organization.

3. This letter supersedes all previous letters on this subject, and is effective until superseded or rescinded.
